2009 Congressional Art Competition Guidelines Framing Guidelines

- **All artwork must be framed.** Frames should be kept as simple and sturdy as possible. Metal frames are recommended. No “snap on” frames with glass are to be used.
- All artwork must be protected by Plexiglas or glass. Plexiglas is preferred. If glass is used, cover the entire surface completely with masking tape prior to shipping.
- All works, **including frame**, should be **no larger** than 30 inches high, 30 inches wide, and 4 inches deep, and 15lbs in weight. *This includes the outside dimensions of the frame.* Due to wide participation of Member offices, framed work larger than the specified dimensions will be turned away.
- Matting can enhance or detract from a work of art and should be carefully prepared.
- Use sturdy picture hangers on the back of the frame. Two sturdy eye hooks should be attached at the right and the left sides of the back of the work for hanging in order to prevent the work from leaning forward or hanging unevenly. Do not put wire between the hooks for hanging, these will be added when the artwork is hung in the Capitol.
- Do not attach labels, ribbon, etc. to the front of the piece or underneath the glass or Plexiglas.
- If the artwork is abstract in design, please indicate on the backside which side is “up” with arrows.
- A **typed** copy of the Student Information & Release Form **must be** securely attached to the back. (Handled by Congressman Moran’s office.)
