Moran Visits Maple Hill

MAPLE HILL - Congressman Jerry Moran today visited Maple Hill on his way back from Washington, D.C., to visit local businesses and talk with community members.

While in Maple Hill, Moran visited the City Hall, the Post Office, Stock Growers State Bank, the Senior Center, St. John Vianney Latin School, Puffy's Steak and Ice House, and Maple Hill Market. His visit allowed discussions with local residents on current issues and gave Moran an opportunity to provide them with an update on activities in Congress.
