Beau Blackwell of Salina Serves as an Intern for Moran

HUTCHINSON - Congressman Jerry Moran today announced that Beau Blackwell of Salina is an intern in his Hutchinson district office. Blackwell is a 2003 graduate of Salina Central High School.

"The internship program is a great opportunity for young people to get a better understanding of the federal government," Moran said. "Beau represents the best of what our state has to offer, and I'm happy to have him working on behalf of Kansans."

Blackwell participated in football at Coffeyville Community College before transferring to Kansas State University where he is working toward a degree in Political Science.

In the office, Blackwell is assisting Congressman Moran with legislative and administrative duties on behalf of the people of Kansas' First Congressional District.

"I am very thankful for the great opportunity to intern for Congressman Moran this summer," Blackwell said. "It is an honor that will be a great learning experience. I would not want to spend my summer any other way."

Beau is the son of Richard and Anne Blackwell of Salina.
