Moran to Attend 3i Show

Information Booth Available During 49th Annual Event

GARDEN CITY - Congressman Jerry Moran today announced that he will have an information booth at the Kansas 3i Show later this month in Garden City. The booth will be located at I-134 at the Finney County Fairgrounds, 501 South Ninth Street. This year's 3i Show will run April 24th through the 26th.

Throughout the three-day event, members of Congressman Moran's staff will be available to answer questions. The show is open from 9:00 a.m. to 5:00 p.m. Moran will be also be on hand to meet with visitors to the 3i Show on Saturday, April 26th.

"I've attended the 3i Show each year that I have been in Congress, and I always look forward to meeting with the Kansans that attend," Moran said. "The show is an excellent way for agriculture producers to learn about new products and share ideas to improve today's agriculture industry."
