Committee Assignments

In the 108th Session of Congress, I again have been selected to serve on the committees important to Kansas - Agriculture, Transportation and Infrastructure, and Veterans' Affairs. Also this year, I have been asked to chair the Subcommittee on General Farm Commodities and Risk Management. This Subcommittee is a good fit for Kansas, as we rely so heavily on commodities in our agriculture markets. In addition, I was selected to serve as the Vice-Chairman for the Veterans Subcommittee on Health. In this role, I will continue working to see that our veterans receive proper health care services.

For more information about the activities of the committees on which I serve, visit their websites by clicking on the links below.
