Moran Selects Dusty Locke of Minneola for Internship

HAYS - Congressman Jerry Moran today announced that Dusty Locke of Minneola is a Congressional intern in his Hays District Office.

"The internship program is a good opportunity for young people to get a better understanding of the federal government," Moran said. "I'm happy to have him working on behalf of Kansans."

Locke graduated from Minneola High School in May of 1999 and from Dodge City Community College in 2001. He is now a senior at Fort Hays State University, pursuing a degree in history and philosophy.

"I'm looking forward to the internship experience and the knowledge I will gain," Locke said. "This internship will be a learning experience in Congressional policies on the state and federal level, as well."

As an intern, Locke will assist Congressman Moran and his staff with legislative and administrative duties on behalf of the people of Kansas' First Congressional District.

Dusty is the son of Monty and Valerie Locke of Minneola.
