Moran Promotes Aerica Veazey of Hesston to Press Secretary

WASHINGTON, D.C. - Congressman Jerry Moran today announced that he has promoted Aerica Veazey of Hesston to serve as press secretary in his Congressional offices. Prior to the promotion, Veazey served as the Congressman's legislative assistant for defense, foreign affairs, trade and homeland security issues.

"The press secretary position is very important, as it helps keep Kansans informed on activities in Washington, D.C.," Moran said. "With her experience and background in journalism and government, Aerica is a good fit for this position."

Veazey is a 1996 graduate of Hesston High School and a 2000 graduate from the University of Kansas with a degree in journalism. Prior to coming to Moran's office, Veazey taught English in Shenzhen, China for two years. She also served as an intern for Senator Pat Roberts.

"I am honored to be working for Congressman Moran and for Kansans," Veazey said. "I look forward to keeping the public informed about activities taking place in the federal government and serving the information needs of the 'Big First' District."

Aerica is the daughter of Tom and Norma Veazey Hesston.
